

Logistics Management Resources, Inc.

For more than 30 years Logistics Management Resources, Inc. (LMR) has been providing 3rd-Party Logistics services to multiple shippers across all truck modes. While we started as a petro-chemical bulk truck 3PL, LMR's customer network has expanded to include dry van, flatbed, import/export drayage, inventory management and specialized over-the-road hauling. As a Responsible Care®, ISO certified and non asset-based provider, LMR qualifies and manages all carriers from a strictly neutral basis. Our goal is simple: deliver the perfect order, safely, every time!
